222	245	Testing		8
222	266	Refactoring PlayersController		6
222	267	Create checks to see if player has won any elimination badges		7
			Total Effort Points	42

User Stories Individual Project *(8*2 points. Add rows as needed)*

PBI ID	Task ID	User Story or Task Description	Effort	Completion Points
171		As a user I want a scrollable list of tasks that I have created so that I can quickly see what I already have	8	8
	238	Create Task listview		3
	239	Create Task listview adapter		3
	240	Create Task listitem		2
172		As a user I want to be able to click on a previously created task to view/edit the parameters so that I don't have to create another task	8	8
	241	Create edit Task view		4

	242	Create Task update process		4
			Total Effort Points	16

Backlog Refinement and Grooming / Next Sprint Planning Score _____*(8 points)*

Attach printout of the next Sprint backlog. If User Stories are added or removed by the Sprint Review meeting then you may not count them and will lose points. Adding a new Task or two is sometimes unavoidable, but adding or removing a lot will result in a loss of points. ***PLAN FOR YOUR SPRINTS BEFORE THEY BEGIN!***
